Hamilton Public Schools

Hamilton's school can truly be called a community school. It is rare indeed during the long winter months that the school is not used from morning to ten or eleven o'clock at night. Our many activities take place in the gymnasium-auditorium, but class rooms and the cafeteria are also utilized after day school hours.

Two nights a week there was basketball practice, one night for band, plus PTA, Band Parents, GAA, Boy Scouts, class plays, the carnival, the PTA sale, the Independent Basketball League, class parties, veterans' classes on Monday and Wednesday evenings, junior high basketball games, the junior high play, and other miscellaneous meetings.

Our janitorial staff has made a definite effort over the summer and winter months to place our school in a condition of which we need not be ashamed. They built beautiful shelves and doors in the office as well as tables and seats for the cafeteria. Their work has been more than maintenance, and we are all proud of it.

The addition of a combination wire recorder-radio-phonograph and a strip film machine are much appreciated.

This year has seen the steady growth of a new and pleasing school spirit. In spite of extremely bad weather and road conditions, attendance has been good and we have had school through nearly all of it. The winning of the county basketball tourney was a feature event of the year and helped greatly in the school and community.

Our school is a friendly school. It has been interesting to see the eagerness with which the students came back after missing a few days because of inclement conditions.

Classes

Senior Class

It was on a morning late in the August of 1946 that the kids we were as Freshmen started down the path of knowledge that has led us here. On that morning there were twenty-two of us—Gloria Albright, Van Baker, Bobin Beardsley, Lauren Calvin, Margaret and Leonard DeLong, Maurice Dean Ferguson, Max Gnagy, Gene Heston, Janet Hollinger, Loren Jinnings, Oliver Magginnis, Arnold Nickols, Dee Routt, Pat Rowe, Leon Teegardin, James Wagoner, Wanda and Wanita Wilkinson, Rebecca Wood, Earnest Zeigler, and Georgia Zeigler.

We soon got used to the routine of high school, and, after struggling through initiation, slid through the rest of the year. During our Freshman year Mary Ellen Henle joined our class. Our officers for our first year of high school were: president, Gene Heston; vice president, Arnold Nickols; secretary, Gloria Albright; treasurer, Rebecca Wood; news reporter, Robin Beardley. Our Freshman sponsor was Mrs. Myers.

When we came back for our Sophomore year our classmate Pat Rowe had left us. This year we sponsored our first money making project, a movie. Mrs. Berg helped us through the year as our sponsor. The officers from our sophomore year were Gene Heston, president; Arnold Nickols, vice-president; Priscilla Myers, secretary; Rebecca Wood, treasurer; Maurice Dean Ferguson, reporter. This was the year we got our class rings.

At the beginning of our junior year we had lost four more classmates—Wanda and Wanita Wilkinson, Mary Ellen Henle, and Maurice Dean Ferguson. This was a very busy year and we plunged headlong into it by organizing our work to sell pop and candy. In addition to this we sold Christmas and greeting cards and presented the play "Huckleberry Finn." Our junior class officers were Gene Heston, Priscilla Myers, Arnie Nickols, Rebecca Wood, and Gloria Albright, and our sponsor was Mr. Fee. Gene Heston and Leonard DeLong represented us in the Student Council. This was the year we got those beautiful green and white class sweaters and won our first class tourney.

And that brings us to that wonderful, last, senior year. Of course we were all glad to see it come, although we will be sorry when it's gone. Meanwhile we are enjoying the fun—and learning something too.

This year was the first that Max Gnagy stayed the whole year through instead of leaving for Florida in mid-winter. But we lost Dee Routt to Detroit in the middle of the year.

As seniors we took on the task of publishing the Hamiltonian twice a month, sending the 1950 Anchor to press, and presenting that cute comedy, "The Inner Willy."

At a class meeting we decided on our class motto and class flower. The motto is "IF WE REST WE RUST SO WORK WE MUST," and the flower is a red rose.

Of course the event of the year was the county basketball tourney. For the first time in fifteen years Hamilton won the basketball trophy. Beside this great event the championship of the class basketball tourney is not very important, but nevertheless we seniors are proud to have won our class tourney again this year.

Gene Heston was our senior class president. His fellow officers were Priscilla Myers, vice-president; Gloria Albright, secretary; Rebecca Wood, treasurer; and Lauren Calvin, reporter. Mr. Sharp was our senior sponsor and Gene Heston, Arnie Nickols, and Leonard DeLong represented us in the Student Council.

We've all had a grand time at H. H. S. and we are now ready to go out into life and make good use of the work we did in high school.

Class Poem

Eyes of blue, hair of brown,
Gloria Albright loves to clown.
Van Baker, second in class,
Is liked by every lad and miss.
Robin Beardsley, smart as a whip,
Put your foot out, sure enough she'll trip.
Lauren Calvin, our handsome bass drummer.
Works at "Island" in the summer.
Leonard DeLong, with shoulders so brawny,
Makes the others look mighty scrawny.
Margaret DeLong, would go with Mush,
In rain, or snow, or sleet or slush.
Max Gnagy, our great star pitcher,
Will marry Prissy when he gets richer.
Gene Heston, our long-time President,
May someday be a Ft. Wayne resident.
Janet Hollinger, so full of fun,
Keeps the boys right on the run.
Loren Jinnings, our kid with a car,
May someday really travel quite far.
Oliver Magginnis, our future Sam Spade,
Will gain wealth—if he ever gets paid.
Prissy Myers, with eyes of brown,
She does wish she lived in town.
Arnie Nickols, with teeth so new,
Is also known as Arnie Que.
Leon Teegardin, known as Hun,
Keeps his car on the Ft. Wayne run.
Jim Wagoner, our big tall lad,
Is sometimes good, but often bad.
A friendly lass is Becky Wood,
She'd go to New York if she could.
Earnie Zeigler, our class Romeo,
Has a lot of charm, but not much dough.
Georgia Zeigler, who loves to skate,
Will someday find her own true mate.

Class Prophecy

Just the other day I borrowed a crystal ball and spent a day gazing into the future. This is what I saw

The year is 1970. In a jet plane high over New York City Gloria Albright, efficient and charming private secretary of Mr. Gene Heston, is taking dictation from her boss concerning a policy to insure that multi-millionaire movie glamour boy, Earnest Zeigler. After a disastrous dive into his solid ivory swimming pool, that dive in which he broke his beautiful nose on the bottom of the pool, Eager Earnie decided it was time to take out insurance.

Now the plane is zooming along at full speed and two minutes later it has landed on the rooftop airstrip of that famous baseball pitcher, Max Gnagy, the man who won the 1969 World Series by pitching a no-hit game. There Mr. Heston discusses the insurance payment for the broken finger Max received during his last game against Manager Van Baker's Brooklyn Dodgers—the team for which Arnie Nickols, world batting champion, is a star catcher. After the business is settled they all sit down to a luncheon prepared by Max's new bride, Priscilla Myers. He finally got around to marrying her.

The plane then takes off for San Francisco for a conference with the Sam Spade of 1970, Oliver Magginnis. After the conference they get to reminiscing and Oliver mentions that only last month Janet Hollinger's latest beau, Lauren Calvin, had hired him to find Janet. She had disappeared a week ago and hadn't been heard of since. Oliver finally discovered her riding the threshing machine on the farm of Leon Teegardin and Jim Wagoner. These two graduates of '50 had formed a partnership three years ago and now own the second largest farm in northern Indiana. Their farm is second in size only to that of Leonard DeLong. Because of this a fued has developed. Two weeks ago Jim actually rolled up ten acres of his rival's pasture and hid it in the barn. However, Leonard discovered the loss and made him give it back. Lauren finally persuaded Janet to come back and pose for the cover of his fashion magazine, "Allure." This picture led to her nomination as Miss America for 1970.

On the way back to New York the plane lands to refuel at the new jet plane terminal airfield in Hamilton. There Gloria runs into her old pal Rebecca Wood, who has just returned from a business meeting in Detroit. Rebecca, since she graduated, has worked up from writer of the Chit Chat column to editor of the Hamilton News. Under her guidance this newspaper has now become the most widely read news sheet in the country. In speaking of old times she remarks that their old classmate Georgia Zeigler has just won the Figure Skating Championship of the Western Hemisphere. Rebecca tells of the last time Georgia visited her old home town with her three darling little daughters. She has been happily married for quite a while. The whole family roller skates, of course.

The plane lands in New York in time to attend the exhibit of Robin Beardsley's new paintings, including her masterpiece "Hamilton Lake at High Tide," in the Metropolitan Museum. This is to be the last showing of the paintings before Miss Beardsley leaves on her trip to inner Mongolia.

After the exhibit Mr. Heston and his secretary visit Loren Jinning's night club on Broadway. This is the club which grew from a modest beginning as a music store into one of the Top Ten night spots in the city. The high light of its floor show is that delightful comic, Margaret DeLong. Her giggle still brings the house down. Margaret is also a shrewd business woman. She has bought out the old Arthur Murray dance schools and she is now planning a program to introduce modern dancing into schools all over the country.

The pictures then faded out until the ball was as bare as a bald head. But since I had to return it anyway, I didn't mind.

SENIOR PLAY

The play "The Inner Willy" was presented on October 21 and 22 by the Senior class. The cast was:

Willoughby Adams—a well-behaved boy	Gene Heston
Inner Willy—Willoughby's inner self	Arnold Nickols
Hester—Willoughby's maiden aunt	Robin Beardsley
Olga—Willoughby's maiden aunt	Gloria Albright
Louise	Rebecca Wood
Janet Marshall—a twin	Janet Hollinger
Trudy Marshall—a twin	Priscilla Myers
Mike—a bashful but regular guy	Jim Wagoner
Stanley Clark—also a regular guy, but a little tough	Leonard DeLong
Marybelle Turner—plain and unexciting	Georgia Zeigler
Carol Martin—who Willoughby secretly admires	Margaret DeLong

The other Seniors who helped make the play a success were Van Baker, ticket manager; Lauren Calvin, advertising manager; and Leon Teegardin, stage manager.

"The Inner Willy" is the story of Willoughby Adams and his inner self. Willoughby is very properly brought up by his three aunts, who are well on their way to running poor Willoughby's life—in three different directions—when the Inner Willy puts in an appearance. The Inner Willy is visible only to Willoughby, who wishes that he couldn't see him either, for the Inner Willy makes a pest of himself in trying to get Willoughby to assert himself. The Inner Willy completely muddles Willoughby's life to the extent of fixing him with three dates for the Senior Prom. But at last Willoughby asserts himself, straightens it all out, and thus gets rid of his inner man.

The audience enjoyed this play as much as the seniors enjoyed producing it.

ONE-ACT PLAYS

These plays were directed and put on by the Public Speaking class as a final exam. They were also put on in the assembly and at a Lions Club meeting. We think the audiences enjoyed them as much as the class enjoyed putting them on.

ROBIN BEARDSLEY

Valedictorian

When you come to the end of a happy experience you like to look back on it pleasantly and, maybe, to wish that it were not quite yet. So now that we are leaving, we should turn around for a minute and look over the past four years. Perhaps they will not have been the most important years of our lives. They have been filled with little things—parties and classes, basketball games and class plays—all little things. But though not important within themselves, these years will have a great effect on what happens to us in the years to come. For in these past years our personalities and characters have been developing.

Now that we have reached an end before a beginning, I want to recall some of the good times we've had. Maybe I should consider the future at a time like this, but there is so much time for that—the rest of our lives—that I would rather take a little time to reminisce.

There was a time when we were freshmen. Really, it doesn't seem possible—so long ago. Yet it was only a scant four years ago. How green we were! But we struggled through that year and the next three years passed almost before we noticed it. We are graduating now.

How much has happened in four years! Remember our class plays? And when we were juniors we ran the pop stand? Think of how much help and guidance our teachers have given us. Remember the time the public speaking class went to the Civic Theater play in Angola, the discussions in government class. Baseball tournies, track meets in the mud, and something special to remember about our Senior year—years from now we can say, "When I was a Senior, Hamilton won the County Basketball Tourney," and we can feel proud.

Well, there is some of the past. We've taken a little trip into a world that is behind us now. It's gone forever now, except for memories.

Yes, the past is gone. But we won't miss it. We have the future.

We Finish To Begin

We want to welcome all our parents, teachers, and friends to our commencement. Our graduation represents not only the studying we have done, and the wonderful times we have had in the past, but also the services and sacrifices of the community. We sincerely hope for a great future for our school.

The title, "We Finish to Begin" may suggest any number of ideas to you. There are always many different interpretations of a subject. What this means to me is that we finish living our lives in a wonderful world of today, where we have been protected and provided for by our parents, and we begin our lives as individuals where we are, put into a world of reality where we encounter the problems that we have only thus far studied and discussed.

Some of the members of this graduating class will center their education in a certain field and enter college to study further, while others will find their life's occupation very shortly after graduating from high school.

We all hope to continue our process of learning whether we attend college or whether we enter into some field or occupation immediately.

We, as individuals, have set certain goals for ourselves. Will we all reach them? Some of us will, by constantly working toward it, but there will be some of us who will be led aside into other paths of life, and we may find that we are better suited to this field than we would have been to the original plan.

We have learned much in our years of life so far. We have had difficult problems to face, and trying experiences to overcome, and from this we have gained knowledge. But we know that as we continue to live we will gain more and more knowledge, and realize still more that we have only scratched the surface of our capacity. There is a vast amount of knowledge which may be obtained and that we may have if we work for it.

We do realize that we have already begun to live our lives, and to take charge of our duties and responsibilities.

Salutatorian

Junior Class

Twenty-one excited first graders entered Hamilton Cchool in the fall of 1940. Marilyn Hamman soon left our first grade class. Mrs. Ruth Kester was our first and second grade teacher.

Mrs. Evelyn Sharp taught our merry class of nineteen during the third and fourth grades.

Mr. Arnold Fee, our first man teacher, taught us in the fifth and sixth grades. Those who left us during these two years were Marjorie Dietz, Dorothy Smart, and Anna May Sanders. Those who joined us were Carol Aldrich, Marlene Fee, Eleanor Gaff, Sharon Greenwood, and Raymond Gordon.

Mrs. Hanselman was our junior high teacher. Bob Klebe, Beverly Teegardin, Eloise Kreig, and Barbara and Beverly DeBaun joined our crew.

Alas! we are in high school. Thirty-one members enrolled in our class this year. Beverly and Barbara DeBaun left us. Eleanor Fee, Marilyn Hamman, Rita Helms, Madgelin Martin, Shirley Newcomer, Florence DeLong, and Paul Newcomer joined us. Before school was out Paul Newcomer left us. Our officers were Mary Haughey, President; Bob Klebe, Vice-President; Marlene Fee, Secretary; Donna Duncan, Treasurer; Charles Howard, Reporter; and Mrs. Myers was our class sponsor. Our class sponsored a skating party. We all enjoyed it.

As Sophomores Marilyn Hamman, Eloise Kreig, Florence DeLong, and Rita Helms left us. Mary Teegardin and Donald Jack joined our class. Sophomore Class

In September, 1940, nine anxious boys and girls awaited their first day of school. This was the class of "52". A year later Sharon Heath joined us from St. Petersburg, Florida.

In the third grade Lorne Robinette left the class.

Eleven students enrolled in the fourth grade. Robert Nelson entered the class during the year. He came from Butler.

The next year fourteen students enrolled in the fifth grade. New students this year were Reina Brooks, Alleene Mann, and Jim Calvin.

In th sixth grade our enrollment was back to eleven. In October Joan Fenner joined us. She was from Scott Center. Sylvia McCantafar withdrew in November to go to Angola school. Norma Jean Shively entered the class December 19. She was from Scott Center also.

At last we got to the seventh grade. We all enjoyed joining the girls and boys Safety Patrols. Bill Stump joined our class this year, as well as Joe Dean. We enjoyed a trip to Chicago where we visited the Acquarium, the Planetarium, and Field's Museum. We even got to ride on the subway. A mother's tea and a yearly exhibit were held. With the money we had earned from paper drives we bought a piano and held a Safety Patrol banquet.

Twelve students entered the eighth grade. New members were John Gruenberg, Dick Hefty, and Donald Krieg. Michael Crowl and Bill Stump did not enroll this year. We had Patrol parties and a Safety Patrol banquet again this year. Norma Shively was Captain of the girls patrol and Sharon Heath, Lieutenant. Jim Calvin was Captain of the boys patrol and the lieutenant was a seventh grader, Jerry Aldrich.

Mrs. Hanselman had to leave school due to illness, but we did very well while Mrs. Crain took her place. Our trip this year was to Ford factory and Greenfield Village, Michigan. We got to take a complete tour through the factories and factory grounds. We saw homes of many famous people in Greenfield Village. These buildings had been moved from their original sites to the Village.

Now comes the school year '48 and '49. We are now Freshmen in high school. Polly Rohleder is with us this year after attending a year at Orland. The only members who have been with the class since the first grade are Valta Dirrim and Anne Fee. Joanne Zimmer is attending Angola school this year. Leonard Petre did not complete the school year. New members who joined the Freshmen class are Roland Coulson, Duane Burns, George DeLong, Dale Dirrim, and Helen Teegardin.

This year sixteen members enrolled in the Sophomore class. Peggy Harris, who had attended the Angola school and Danny Brown are our new members. George DeLong did not enroll and Helen Teegardin left us in March.

Our class sponsor is Mrs. Crain, who is doing her best to help us through high school.

Freshman Class

Twenty-two shy boys and girls found their way into the high school building on the morning of September 6, 1949. Immediately they inherited the name "Freshmen".

We lost two of our old grade school members during the summer and gained three new ones from Franklin Center. The new members were Marilee Ford, Ann Willennar, and Jim Hagerty.

Our first class meeting was held September 6, for the purpose of electing class officers. The officers were as follows: Jim Hagerty, president; Sharon Grogg, vice-president; Phyllis Jennings, secretary and treasurer; Marlene Clark, news reporter; Sandra Shrider, Student Council representative. Mr. Fee was our sponsor.

Our first class party was held September 22. We had a weiner roast and attended a show at Waterloo.

A number of our fellows participated in basketball this year. All that did were on the second team.

Eight of the girls joined G.A.A. They were A. Willenar, M. Ford, J. Teegardin, M. Rozell, M. Clark, S. Baker, S. Shrider, and P. Jennings.

Our class also took a part in the Fall Carnival. The stands we had were the Funhouse, novelty stand, and the milk-bottle throw. We were very proud to have our classmate, Sharon Grogg elected Queen of the Carnival.

After having a successful Freshman year we are all looking forward to next year when we will be Sophomores.

Grades Seven and Eight

September 6, 1949, was enrollment day in Hamilton for eighteen 7th graders and twenty-three 8th graders. Of these twenty-three 8th grade students only eleven remain of the class who started the first grade together in 1943. They are Alice Everitt, Marianne Griffith, Wilma Dirrim, Wava Cameron, Frances Petre, Zora Mae Petre, Robert Gessinger, Duane Crain, Robert Thrush, Marlin Mann and Robert Zeigler, who enrolled two months late.

Of the eighteen 7th graders only eight have remained together through their first seven years. They are Madilyn Heath, Kay Kaiser, Gratia Haughey, Janice Gnagy, Owen Teegardin, Nyles Kenyon, Ora Cameron, and Robert Duncan.

On March 6 Betty and Archie Teegardin moved away, leaving thirty-nine pupils in our room the remainder of the year.

The year's calendar of events shows the following activities: National Book Week Celebration, James Whitcomb Riley Centennial Program, Halloween, Christmas and Valentine parties, Posture Contest—won by Wilma Dirrim, three paper drives, sponsored Heart Fund Drive, managed Grade School Library, Annual Educational Tour, Mothers' Tea and Spring Exhibit, Patrol Banquet at which prizes and pins were awarded, and the production of the highly successful play "Just Ducky."

Grades Five and Six

We began this year with an enrollment of thirty-eight students. Of these there were sixteen in the fifth grade and twenty-two in the sixth grade. The entire number in the fifth grade was so large that the group was divided. Part in our room and part in the fourth grade room.

During the year we have lost only one pupil. Jane Routt moved to Toledo.

We have celebrated the usual holidays as in years past: Christmas exchange, Halloween, Valentine's Day.

Twenty-three students are taking Bible study under Mrs. McKinley. They meet every Wednesday forenoon for one period.

Rosali Kaiser, Gwen Taylor, and Gary Zeigler are now playing in the band. Six other pupils are taking instrumental lessons, given by Mr. Drake.

Five girls and nine boys are members of the 4-H Club.

Our grade is doing the usual amount of work and having fun at play, too.

Grades Four and Five

The fourth and fifth grade room is the home room of thirty students. They have all been very busy working and playing. The school calendar for this room is crammed full of things which have been done. Some of the activities on it include:

The Halloween costume parade through the schools and uptown, followed by a party,
a project running the ring toss booth at the fall carnival,
a Valentine's Day party with a Valentine card exchange—and food to eat, too,
the annual basketball game with the Taylor's Corner team. Our boys met terrible defeat with a 25-10 score.

Late in the year, stories from the readers were dramatized for presentation to the other grades.

The only student who left the school was Edith Teegardin. Her place was filled by Jimmie Denman and the class membership remained at thirty.

The students with the best scholarship records were Sharon Robinette, Sharon Lemmon, Dicky Petre, and Stephen Prough in the fifth grand and Joyce Gnagy, Romalee Eddy, Janet Marks, Garst Haughey, and Tommy Taylor in the fourth grade.

Third Grade

We think we are approaching the end of a very satisfactory year. There has been only one grade in our room and we have had an average enrollment of 26 which provided an ideal situation for effective study.

During the year Marilyn Howeth, Ann Routt, and Arthur Teegardin moved away but Sharon Beerbower and Charles Denman came to help fill their places.

We will cover all our work besides doing some added creative work in English; reading supplementary readers; having extra art classes; and dramatizing stories to be presented to the first and second grades.

Our Hallowe'en, Christmas, Valentine's Day, and birthday parties have been fun. We plan to have a party and program for our mothers when we will show them how we work and how we make play out of some of our work. We will dramatize some stories from our readers for part of the program.

We wrote paragraphs about our careers which we have chosen. Mrs. Willennar is going to keep these papers for us to look at in future years if we are interested. If no one changes his mind this class will provide its share of cowboys, professional basketball players, and yell leaders. This urge for basketball and leading yells was given expression in the annual game with Mr. Willennar's team from Taylor's Corners.

The best scholarship records have been made by Lucy Ann Wagoner, Ricky Brooks, David Kunkle, and Jimmie Sutton.

ROW 1—Paula Beerbower, Richard Brooks, Shirley Craven, Connie Crowl, Richard Duncan, Estella Eggly.

Grades One and Two

The 1949 and 1950 school year began with ten pupils enrolled in the first grade and nineteen in the second grade. Jerry Robinett, from Pleasant Lake, and Sandra Jean Sebolt, from Virginia, entered soon after school started. Later Sandra Jean moved to Michigan to go to school. At Thanksgiving time James Marks from Fort Wayne and Jerry Lee Aschleman from Waterloo joined our group. Now we have ten pupils in the first grade and twenty pupils in the second grade.

Some highlights of the year which broke the monotony of continuous work were the Halloween party and parade, the Christmas musical program with gift exchange, and a Valentine party. As usual this room has had many enjoyable birthday parties.

This year our room contributed its share to the March of Dimes, the Red Cross, and other worth-while projects.

Altogether we have been very happy and I'm sure we will have pleasant memories of this school year.

First Grade

At the beginning of the year we had an enrollment of eleven girls and twenty boys. This made a total enrollment of thirty-one pupils.

In December, Larry Coleman moved, so he transferred to Scott Center School.

In February, Paul J. Ragan, Jr. moved to Fort Wayne. Also in February, Jackie Tuttle broke his leg and was unable to return to school this year.

In March, Glenda Denman came to the class from Goshen, Indiana.

Our class then had an enrollment of twelve girls and seventeen boys.

Our class ranked second in the membership contest for the P.T.A. We took part in the March of Dimes Drive and the Red Cross drive.

We took part in the Halloween parade. We sang two songs and gave a recitation in the P.T.A. Christmas program.

We had Halloween, Christmas, Valentine, Easter and several birthday parties during the year.

Band

Under the director, Mr. Drake, the band has improved immensely during this past school year. There have been a few new instruments added which improve the bass section. The Band Parents Organization assisted by purchasing a sousaphone and a French horn. Mr. Kepler also helped by purchasing a new instrument, a baritone sax.

Our first appearance with Mr. Drake was on Memorial Day. We marched and played several numbers. We also marched at the Auburn street fair in September.

The band performed some very attractive band shows on the gym floor at several of the basketball games. At the other home games, marches were played from the stage between games.

Those entering in the district solo contest at Fort Wayne, February 18, and their ratings, are as follows: Diane Swift, vocal, superior; Sharon Heath, piano, superior; Marilyn Rozel, alto sax, good; Kay Kaiser, flute, excellent; Karen Radcliff, clarinet, excellent; Rosalie Kaiser, flute, superior. Those eligible for entrance in the State contest on March 25 were Sharon Heath and Diane Swift. Diane was rated excellent and Sharon good.

The band journied to Milford, April 1 to enter the District Contest They played Little Champ, Evangeline, and Dauntless, and were rated 1st in their class.

A spring concert was given the last of April.

The officers of the band were: Gloria Albright. president; Charles Howard, vice-president; Mary Haughey, publicity chairman.

The band was rated excellent in the state contest at Milford.

Glee Club

The Glee Club officers for this year were Diane Swift, president, Gloria Albright, vice-president, and Mary Haughey, publicity chairman

Most of the songs were semi-classical, or religious. They were arranged for soprano, second soprano, and alto. The Glee Club was under the direction of Mr. Drake.

The Club made quite a few public appearances—at P.T.A. meetings, Flint School, and the Spring Concert—went Christmas caroling in Hamilton, and entered the District Contest, in which they tied for top honors with a rating of excellent.

With the money raised from selling candy at the P.T.A. sale the Glee Club has been able to have choir robes made.

The Glee Club has made a great deal of improvement this year and, continuing this progress, it should soon be one of the outstanding school organizations.

Library

LIBRARY

The library has been under the excellent supervision of Mrs. Myers for the last five years. This year the High School library was moved into the high school building, to Room 2. It was open the second, fifth, sixth and seventh periods.

Both the grade and the high school library have received many new and interesting books from the Junior Library Guild throughout the school year. These books are selected from hundreds of publishers' manuscripts by the editorial board.

Five books are received each month; one for children from six to eight years of age—primary grades—another for children of nine to eleven years of age—elementary grades; a third for older girls from twelve to sixteen years of age; the fourth for older boys of twelve to sixteen years of age; the fifth for advanced readers. A new set of World Books, a Smithsonian Institute set and a new Atlas were purchased.

The librarians this year were Loren Jinnings, a senior; Sharon Greenwood, a junior; Diane Swift, a junior; and Polly Rohleder, a sophomore.

Alumni Editor	Gloria Albright
Snapshot Editor	Priscilla Myers

The Anchor was published with very little trouble this year mainly because the work was well organized beforehand by Gene Heston and Mr. Sharp.

All of the Seniors worked hard to put the book out, and with the additional help of our advertisers it was an assured success

F. F. A.

The F.F.A. enjoyed a successful year under the direction of Mr. Fee.

The first meeting of this year was held on October 12, 1949, for the election of officers. The officers were: president, James Wagoner; vice-president, Charles Howard; secretary, Leonard DeLong; treasurer, Oliver Magginnis; reporter, Henry Krohn; sentinel, Jack Householder.

We decided to have a pest contest with the Freshmen and Sophomores on one side and the Juniors and Seniors on the other. The contest closed December 15, 1949. The Freshman-Sophomore team won.

We took a few major trips this year. We went to Indianapolis to the International Dairy Show, and to Chicago to the International Dairy Show.

The F.F.A. sponsored a magazine sale, in which we sold about $137 worth of magazines and made $58 profit.

The F.F.A. decided to elect an honorary member this year. Bruce Crow, the veterans teacher from Michigan, was elected.

Roland Coulson, Henry Krohn, Oliver Magginnis, and Leonard DeLong ordered F.F.A. jackets this year.

The hog project the F.F.A. started last year is coming along fine and we hope to make some money from it.

We have progressed greatly this year and hope to do so in the years to come.

Girls' Patrol

Organized in 1939 under the jurisdiction of the Chicago Motor Club and sponsored by the Hamilton Lions Club, the Safety Patrol has a perfect record to its credit. In co-ordination with the Auxiliary Patrol, it has served the school faithfully within the building, on the school ground and at intersections.

The Safety Patrol officers this year were as follows: Marlin Mann, captain; Duane Crain, first lieutenant; Gene Gordon, second lieutenant; Robert Zeigler, third lieutenant; and Niles Kenyon, fourth lieutenant.

The Auxiliary Patrol officers were Marianne Griffith, captain; Marlene Husselman, first lieutenant; Wava Cameron, second lieutenant; Gracia Haughey, third, and Nola Ewell, fourth lieutenant.

Mrs. Letha Hanselman has been its teacher-supervisor for eleven years.

Our patrol has been a pattern for several patrols in this district.

The officers and their years of service are as follows:

	CAPTAINS	LIEUTENANTS

Wolf and Queen

On the afternoon of November 17 there was a holiday declared by Mr. Sharp, and all the students put their books away to pitch in and decorate the gym for Carnival night. Bingo, cake walk, food, bazaar, dart throw and other stands were soon set up. The gym was turned into a fair ground.

Of course the big event of the night was the crowning of Queen Sharon and King Duane. All evening the polls had been open to receive votes to elect the King and Queen from the following candidates: Madilyn Heath, Gratia Haughey, Jerry Hammond, and Niles Kenyon—seventh graders; Sue Ann Sanxter, Betty Teegardin, Bob Zeigler, and Bill Mathers—eighth graders; Sharon Grogg, Marlene Clark, Jim Hagerty, and Dick Calvin—freshmen; Joan Crain, Helen Teegardin, Jim Calvin, and Duane Burns—sophomores; Maida Dirrim, Beverly Teegardin, Ray Gordon, and Bill Simon—juniors; Rebecca Wood, Priscilla Myers, Arnie Nickols, and Lauren Calvin—seniors.

L. to R.: Mr. Sharp, Mrs. O. Taylor, Mrs. Hanselman, Mrs. R. Taylor, Mrs. C. Harger, L. Crowl.

P. T. A.

The P.T.A. closed its activities of the 1949 school year by honoring all of the boys who participated in the High School athletics with a banquet in the school cafeteria. Table decorations were miniature pipe cleaner men depicting action in baseball, basketball and track, and favors were chocolate fudge basketballs.

On September 20 we opened the activities of the new school year with a potluck supper for the teachers and school officials. Principal Charles Sharp made the parents welcome by holding open house.

We have endeavored to follow the precedent of former years in the P.T.A. work. The summer health round-up of pre-school children was a fine success, thirty-nine children being present for physical examination.

The Parent Education group have had a worth-while year in their study of Social Hygiene. They enjoyed some fine films and had very good discussion.

We have had some excellent speakers among whom Senator Willis K. Batchelet, Dr. Claud Hitt, and Dr. James A. Alford were outstanding.

On February 18 we sponsored a community sale which netted us $736. These funds are to be used to help finance the project of improving and hard-surfacing the playground and purchasing additional playground equipment.

We feel that the success we have had this year is due to the fine spirit of co-operation between teachers and parents, school and community.

Basketball County Champs

The 1949-1950 season was a very successful one for the Hamilton Marines. As most of us in Hamilton know we won the County Tourney. This is the first County Tourney in basketball Hamilton has won since 1935.

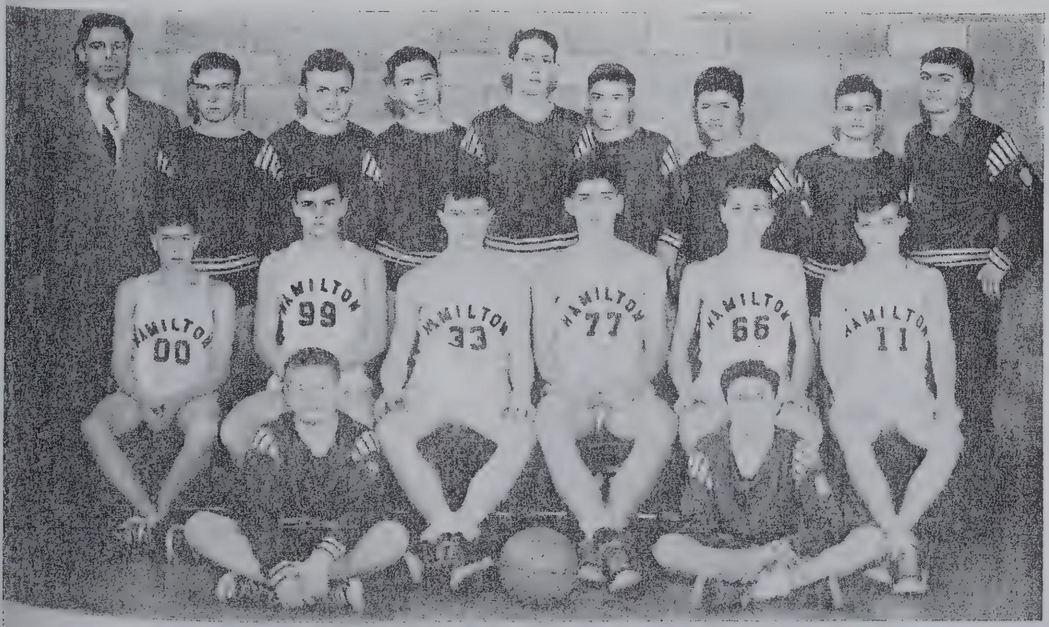
The Marines won eight of their twenty-one games. This was a great improvement over last years record. The two most important of these were the wins over Metz and Fremont in the County Tourney. The Marines went into the Tourney as the Underdogs and came out the Champions. They defeated Metz in the afternoon game 38-34; and Fremont in the finals 53-52. The Marines were behind one point with three seconds to go but Wagoner connected as the gun went off.

There was a great celebration in Hamilton that night. One of the highlights was Wayne Cosper walking around the flag pole fifty times barefooted. If you recall the ground was covered with snow at the time. A big bon-fire was built beside the flag pole and everyone sang and had a good time. Pictures were taken of the warm congregation even though the temperature was down around 10 degrees.

Monday the whole school paraded around the town and sang school songs as further celebration. Mr. Sharp made a speech and asked the boys for comments during a general assembly after the parade. Wagoner's comment was: "I hope they don't wait this long to win another one."

Second Team

The Sub-Marines had about the same luck as they had last year, winning four games. They played pretty good ball but just didn't seem to click. They should have a very good team next year.



Standing, L. to R.: Coach B. Anderson, J. Dean, J. Gnagy, J. Aldrich, K. Kenyon, L. Smith, K. Dirrim, D. Calvin, Mgr. V. Baker.

Sitting, L. to R.: L. Aldrich, J. Calvin, J. Gruenberg, R. Coulson, J. Hagerty, H. Krohn.

Front, L to R.: D. Klebe, P. Gaff.

STANDING, L. to R.: Coach Bob Anderson, B. Penland, R. Thrush, B. Mathers, G. Ritter, H. Gall, H. Sezman, O. Teegardin, B. Gessinger.
SITTING, L. to R.: B. Aldrich, J. Hamman, P. Duncan, B. Zeigler, N. Kenyon, G. Gordon.

L. to R: Madelyn Heath, Gratia Haughey.

Junior High

The Jr. High ball team got off to a slow start as they lost their first five games. They had played 10 games before going to the county tournament which was held at Salem. Hamilton drew a bye for the first round of the tourney. They were beaten 24-26 by Fremont who went on to become the Champs.

The Jr. High played the Freshmen six games and lost them all by close scores.

Yell Leaders

The cheer leaders this year were chosen separately. There was a large group out and it was necessary for a double vote. The three who came out on top were as follows: Priscilla Myers, senior; Mary Haughey, junior; Polly Rohleder, sophomore.

The cheer leaders did a very good job this year and enjoyed their work as the Marines were successful in drawing spectators to the games to help them yell.

Priscilla and Mary had tight fitting white jackets and flared skirts with royal blue braid and royal blue taffeta linings. Polly had a royal blue uniform which looked very good in between the two white uniforms.

Left to Right: Priscilla Myers, Polly Rohleder, Mary Haughey.

Track

Our Track Team in 1949 bettered some records and improved over last year. We ran several meets and managed to win a majority of them. We were beaten out of the Corner Conference Track Meet by Butler in the final relay. We won the County Track Meet which was held at Auburn, beating out Fremont by the close score of 85-75. Salem came in third with 18, Metz was fourth with 16, Orland fifth with 7 points.

Two of our boys placed at the Sectional at Elkhart. They were: Donald Jennings in the pole vault, and Leonard DeLong in the high hurdles. We were very proud of our Track Team last year and hope to have a very good team this year.

Hamilton Public Schools

Now, as our yearbook goes to press, we pause for a moment to view our school year in retrospect. This has been another very busy year for all of us here in Hamilton. A look at the school calendar reminds us that almost without exception, our community center school was used long after the day school hours were past. Nearly every evening found some activity keeping school students and teachers busily engaged.

Some of the activities were: senior play, junior play, junior high play, high school basketball games, junior high basketball games, fifth and sixth grade basketball games, Parent-Teachers Association, band parents, veterans' agriculture school, adult agriculture school, Hamilton Independent Basketball League, Farm Bureau, Boy Scouts, GAA, all school carnival, band parents' amateur night, ball practices, band and glee club practices, teachers working overtime, and many more activities.

It is interesting to know that many people at one time thought that the installation of electricity in Hamilton's school was a definite waste of money. If those conservatives of other days could see our Community Center School of today, they would be as much astonished at school changes as they would at the other changes in our way of life.

Visitors at our school have remarked about the friendly spirit of our teachers and student body. Perhaps our "all high school" parties helped us toward that objective.

Our student council is finding its place in our school and is helping to round out a busy, well-balanced school program.

Senior Class

Twenty-one excited first graders entered Hamilton School in the fall of 1939. Marilyn Hamman soon left our first grade class. Mrs. Ruth Kester was our first and second grade teacher.

Mrs. Evelyn Sharp taught our jolly little class of nineteen during the third and fourth grades.

Mr. Arnold Fee, our first man teacher, taught us in the fifth and sixth grades. Those who left us during these two years were Marjorie Dietz, Dorothy Smart and Anna May Sanders. Those who joined us were Carol Aldrich, Marlene Fee, Eleanor Gaff, Sharon Greenwood and Raymond Gordon.

Mrs. Hanselman was our junior high teacher. Bob Klebe, Beverly Hagerty, Eloise Krieg and Barbara and Beverly DeBaun joined our crew. We had a lot of fun presenting the junior hi plays.

At last, we were in high school. Thirty-one members enrolled in our class that year. Beverly and Barbara DeBaun left us. Eleanor Fee, Marilyn Hamman, Rita Helms, Madgelin Martin, Shirley Newcomer, Florence DeLong and Paul Newcomer joined us. Before school was out, Paul Newcomer left us. Our class officers were: Mary Haughey, President; Bob Klebe, Vice President; Marlene Fee, Secretary; Donna Duncan, Treasurer; Charles Howard, Reporter; and Mrs. Myers was our class sponsor.

As silly Sophomores, Marilyn Hamman, Eloise Kreig, Florence DeLong and Rita Helms left us. Ruth Hicks, Mary Teegardin and Donald Jack joined our class. Our officers were: Bob Klebe, President; Eleanor Fee, Vice President; Marlene Fee, Secretary; Donna Duncan, Treasurer; Beverly Hagerty, News Reporter; Mary Haughey, Student Council Representative; and Mrs. Myers, sponsor.

Being jolly juniors was our next step. We were happy to have Thelma McKean join our class. Lynn Gnagy traveled to Florida for half a year. Our officers that year were: Charles Howard, President; Beverly Hagerty, Vice President; Madgelin Martin, Secretary and Treasurer; Eleanor Fee, Reporter; Bob Klebe, Student Council Representative; Mrs. Myers, Sponsor. We presented the play "The Baby Sitter," on the nights of March 17 and 18. The Junior-Senior banquet was held at Pokagon State Park on April 21.

Seniors at last! Although we had enjoyed our school years, every member of the class was willing to graduate.

As seniors, we had the job of editing the school paper every two weeks and publishing the year book. We also presented "Don't Keep Him Waiting," a three act comedy.

Our class officers for our last year were: Ruth Douglas, President; Beverly Hagerty, Vice President; Marlene Fee, Secretary and Treasurer; Diane Swift, News Reporter; Bill Simon, Student Council Representative; and Mr. Sharp our sponsor.

Our Hamiltonian editor was Beverly Hagerty and assistant editor was Sharon Greenwood. The editor of the Anchor was Marlene Fee.

For our motto we chose the following: "With the Ropes of the Past We'll Ring the Bells of the Future." The pink carnation was our class flower.

On May 25, our commencement exercises were held in the gymnasium. Our speaker was Rev. Peter E. Soudah.

Class Poem

Carol Lou Aldrich, though her heart is sad and lonely
Will always wait for her one and only

Keith Brooks is next in line
He's always happy rain or shine.

Dale Champion, better known as Champ
Is sometimes as bright as a living room lamp.

Maida Dirrim is very shy
But she'll get over it by and by.

Ruth Douglas who once was lonely
Has finally found her one and only.

Next is Donna Duncan in the class
She's sometimes lonely; but she's really quite a lass.

Eleanor Fee, our red headed gal,
Is always jolly and really a pal.

Marlene Fee whose heart isn't torn
Will always wait for her dear little Loren.

A very jolly girl is Eleanor Gaff,
She'll always greet you with a great big laugh.

Lynn Gnagy, our boy of fun,
Will always keep you on the run.

Raymond Gordon, our tall lad,
Is sometimes good and sometimes bad.

Sharon Greenwood, our gal who likes to skate,
Will some day find her one and only mate.

Beverly Teegardin Hagerty, the first bride of the class,
Will to Wayne never be last.

Janice Harger who some day may be famous,
Will always wait for her one and only Amos.

Mary Haughey does like the boys,
But that's natural, she's one of the Haugheys.

Ruth Hicks who is trying to be a nurse,
Will end up by driving a hearse.

Donald Hovarter is next in line,
Always combs his hair rain or shine.

Chuck Howard, our star basketball player,
May someday be Hamilton's brick layer.

Jacinta Jackson all through life
Will to Herman be a good wife.

A boy and a car of his own
Is Don Jack, who is never home.

Bob Klebe was once an F. B. I. man,
But when he saw a robber he turned around and ran.

Not often seen and very seldom heard,
Is Magdelin Martin, our quiet little bird.

Thelma McKean will to Louis always be true,
And some day she'll say, "I do."

Shirley Newcomer who likes to laugh in class
Is liked by every lad and lass.

Colleen Penland who likes to sew
Will soon be making her own trousseau.

Bill Simon you'll always find
Out on the lake fishing rain or shine.

Diane Swift who likes to sing
Will some day be as famous as Bing.

Eyes so bright and hair so brown
Is our gal Mary Teegardin who really gets around.

This is the end of our class poem
Which we'll take home
To remember our old cronies.

Prophecy of the Class of '51

On a hot Sunday afternoon in July we took off in our new helicopter to visit our old friends in the Class of '51. The first stop was in California where the famous detective, Bob Klebe, was trying to track down that notorious robber, Keith Brooks. He had stolen a precious necklace from Diane Swift, who is now singing with Spike Jones band.

We didn't think that we would be able to help Bob much so we climbed aboard and headed for Texas where we visited Mrs. Loren E. Jinnings, the former Marlene Fee. She has settled down and has triplets, Bertha, Gertrude and Myrtle. After quite a visit we ventured on to Florida where Lynn Gnagy was experimenting on a new bug killer to exterminate termites. Termites had invaded his house and eaten the whole top floor.

Our helicopter had engine trouble and we hadn't visited nearly all the class members so we bought plane tickets for Washington, D. C. We later discovered that the pilot of the huge passenger plane was Bill Simon. Bill is a widely recognized pilot because of his courageous testing of jet planes. The army is now trying to get him to pilot a rocket on a test trip to the moon.

The reason for our trip to Washington was to see President Raymond Gordon, but he was in conference with one of his executives, Dale Champion. They were debating on whether to move the Capital of the United States to the moon or to Mars.

From there we traveled on to Quebec, Canada. There on the St. Lawrence river Don Hovarter was in command of the ship "Lady Hamilton," named after the lake in his home town.

We decided to stop and see Niagara Falls where we met Don Jack and his wife, the former Ruth Douglas, who were on their second honeymoon. Don told us that Chuck Howard was now a cab driver in Ft. Wayne and Donna Duncan was private secretary to the water commissioner of Hamilton. We also visited the school and were pleased to find Ruth Hicks principal and Mary Haughey the new home economics teacher since Mrs. Edwards had retired.

As we left Hamilton, we were overcome by hunger and stopped to eat at Shultz's Restaurant where Carol Lou was head waitress. We stopped at Hagerty's car lot where Beverly, the head manager, tried to sell us a car but cars are getting so out of date we decided not to buy one. Bev told us that Maida Dirrim had been practicing her acrobatic stunts on the roof of a building and had had a bad fall; but her injuries were minor, and she is under the excellent supervision of Mary Teegardin, head nurse and traffic director at the Cameron Hospital.

A fire engine came racing around the corner and it almost bumped off Shirley Newcomer, the new Sergeant of the Women's State Troopers. It was headed for Penny's store where Jacinta Krohn Eleanor Brock and Thelma Szeman were throwing glasses of water, making a big effort to put out the fire.

After all the excitement we got on a bus in Waterloo, driven by Madgelin Martin, and headed for Fort Wayne to see the skating follies. Sharon Greenwood was to be the star, but she had fallen and broken her nose, so Colleen Penland accompanied by her husband, John Gorrell, took over the show.

We took a plane to California and arrived just in time for the eighth wedding of the famous movie star, Eleanor Fee.

Janice Snyder was making her second million by selling rice at all the Hollywood weddings. Her husband, Amos, was selling hot dogs at the church door.

We decided we had enough excitement and went to get our repaired helicopter.

Senior Play

The play "Don't Keep Him Waiting," directed by Mrs. Crain, was presented on October 19 and 20 by the Senior Class. The cast was:

Jeff Ramble—who is a camera fan	Bob Klebe
Toodles—Jeff's younger sister, who is reducing	Eleanor Fee
Betty—Jeff's older sister, who pays the bills	Mary Haughey
Owen—Jeff's father, an armchair traveler	Charles Howard
Selina—Jeff's aunt, a horoscope fan	Colleen Penland
Jenny—who is a good little pal	Diane Swift
Chester—who is alergic to work	Lynn Gnagy
Sally Lou—who fascinates	Maida Dirrim
David Vance—who is tired of waiting	Bill Simon
Amos Atkins—who is interested in antiques	Dale Champion
O'Toole—who wants his money	Raymond Gordon

"Don't Keep Him Waiting" is the story of Betty Ramble and her responsibility of making both ends meet. When she loses her job it doesn't seem to make much difference to the family. They all go their merry way, still buying things—and charging them to Betty. Dave, who has been engaged to Betty for several years, now urges her to marry him and leave for South America, where he has a new job. Betty refuses to shirk her responsibility, and Dave finds comfort in a Southern charmer. That makes Betty see red! She goes on a wild shopping spree—and charges everything to the other members of the family. She gives Dave a taste of his own medicine and flirts with baldheaded Mr. Atkins. It isn't long before the family wakes up to their shortcomings. They pitch in and make things right for Betty. She soon knocks the Southern charmer out of the running, and sails joyously away with Dave on her honeymoon.

We all enjoyed the production of this play, the get-together at Diane Swift's home, and the time we had after the play at Mrs. Crain's home.

DONNA DUNCAN

Valedictorian

Our motto reads, "With the ropes of the past we will ring the bells of the future." Since our first school year we have done many things together that each of us will always remember. The fun we have had at class parties, class tourneys, basketball games, track meets, band and glee club trips! These we shall never forget; they are now our memories.

The more serious things we have learned—our ability to adapt ourselves to social living and to decide what our future shall be—have been indispensable.

Yes, the past is gone; but we have the future before us! This night is a crossroad in our life. Until now we have gone forward as a class; now we go singly, each one alone over his chosen pathway. Several plan to enter college to further study his own profession. Others will go to work in their chosen fields—farmers, laborers, homemakers, clerks, and secretaries.

As we go forward into the future we shall miss the companionship of our classmates, teachers, and friends; but their influence upon each of our lives will be with us ever.

On whatever road we travel none will ever forget the wonderful way our school faculty has ever labored to prepare us. To those who have helped us in any way we give thanks—to our parents and teachers, special thanks!

May each of us always—in all ways—live up to the ideals they have inspired in us.

—Donna Duncan

Salutatorian

CROSSROADS OF LIFE

Parents and Friends, the class of 1951 welcomes you to this commencement service.

We, the Seniors of 1951, are now at one of the most important crossroads of our lives. There will be many of these, as the years go by, some great and some small. There are always two roads to take, one right and one wrong. We now have to choose the road which will have a large effect upon our future.

We are indebted to you, our parents, teachers an d friends, for the privilege of graduating tonight. Through your help we are in a better position to choose the right road.

There are some in other countries who have never had the privilege of education that we have had. We are grateful to this wonderful country, in which we live, for this right of education.

The future history of our country is in our hands and others like us. No one knows when history began. The first page was lost somewhere in the dim past; the history of tomorrow, however, begins today. Every day is another page added to that record.

As the world is today, it will not be easy to add a good page to the record. Together with the conflicts of nations and people, we all have a hard job ahead of us. But we hope to find the right road of life to add a few worthy pages to the future history.

—Marlene Fee.

Junior Class

One bright sunny day in September, 1940, nine wide-eyed and excited lads and lassies began their first day of school. This was to be the Senior class of 1952. Our teacher was Mrs. Ruth Maxton. A year later Sharon Heath joined us from St. Petersburg, Florida.

In our third year of school Lowein Robinett left our class.

Eleven students enrolled in the fourth grade. Our teacher was Mrs. Evelyn Sharp. Robert Nelson joined us from Butler later that year.

Fourteen students enrolled in the fifth grade under the guidance of Mr. Arnold Fee. The new students this year were Reina Brooks, Alleen Mann and Jim Calvin.

In the Sixth grade our number was back to eleven again. Polly Rohleder moved to Orland and Joan Fenner and Norma Shively joined our class from Scott Center. Sylvia McCantofar withdrew to Angola.

We finally reached junior high where we all joined the Safety Patrol. Joe Dean and Bill Stump enrolled in our class this year. We enjoyed a trip to Chicago where, under the guidance of our teacher, Mrs. Letha Hanselman, we visited the Aquarium, Toledo Museum and the Planitarium. Later that year a yearly art exhibit and Mother's Tea was held. We purchased a piano with the money from our paper drives. During these two years we gave the plays "Aunt Sofronie Goes to College" and "Wildcat Willy In the Doghouse." Our trip in our eighth grade year was to Detroit, Michigan.

1948-48 was the year we had all been looking forward to during grade school. Polly returned this year after living in Orland during her sixth and eighth grades. Mr. William Fee was our sponsor. Joanne Zimmer attended Angola the next year. Leonard did not complete the school year. New members are Roland Coulson, Duane Burns, George DeLong, Dale Dirrim and Helen Teegardin. Joan Crain joined us the next spring from Fort Wayne.

Sixteen members enrolled in the Sophomore class of 1949-50. Peggy Harris and Danny Brown are our new members. George DeLong enrolled in Waterloo and Helen Teegardin left us in March of that year. Our class sponsor was Mrs. Crain.

Our Junior year was the time of plays and proms. Our play, directed by Mrs. Crain, was "Galloping Ghosts," held on April sixth and seventh. The Prom was held at Pokagon this year. Peggy Harris did not enroll this year. Mr. Smith was our class sponsor. With his help we did very well in our pop room business. The only members who have been with the class since the first day of school are Ann Fee and Valta Dirrim.

We Juniors want to wish the Seniors of 1951 a very happy and successful future and we hope that we may take over the Senior tasks in the year to come.

Freshman Class

On September 5, 1950, twenty-five bashful boys and girls entered Hamilton High School as "Freshmen."

We started the year out with twenty-five pupils but two have left, Rose Szeman and Bill Cook. We have acquired a few new members to our class: Joyce Parks from Fort Wayne, Betty Fowler from Metz, Eileen Coulson from Tamarack, and Norma Hamman from Franklin Center.

Our first class party was held on October 17. We had a potluck supper in the cafeteria and went to a show in Angola.

In basketball the freshmen were fortunate to have Bill Mathers on the first team. The boys that were on the second team were Bob Zeigler, Bob Thrush, Henry Gall and Duane Crain

At the first of the year we elected class officers as follows: Bob Zeigler, president; Bill Cook, vice president; Norma Hamman, secretary and treasurer; Bob Thrush, Student Council representative; Frances Petre, news reporter. Mrs. Crain was our sponsor.

Our class participated in the Fall Carnival. We had the novelty stand and the milk bottle throw.

Eight of our girls joined G. A. A. They were Norma Malone, Norma Hamman, Sue Ann Sanxter, Marlene Husselman, Alice Everitt, Wilma Lou Dirrim, Eileen Coulson and Marianne Griffith.

We freshmen are all looking forward to another happy and prosperous year as sophomores.

Grades Seven and Eight

The 7th and 8th graders of '51
To make our mark have just begun.
We've lost and gained as we've moved along,
But continued to be a peppy throng.

Of the 8th graders who started in '42,
Just eight are left of our original crew.
Thirteen 7th graders still we see
Of those who started school in '43.

Others have entered and moved away,
'Till thirty-nine we number today.
Happy and cheerful whatever we do,
Ready to work and co-operate, too.

Three paper drives have netted us well,
And helped our educational fund to swell.
A class play, too, brought us some more,
That we could add to our growing store.

Dramatics, Art, Glee Club, School Safety Patrol,
Band, Athletics, Fundamentals is our goal,
So with Mother's Tea and a yearly exhibit,
Growth and progress we hope not to inhibit.

Grades Five and Six

At the beginning of school, the enrollment in the fifth and sixth grades were forty-six pupils. There were twenty-two in the fifth and twenty-three in the sixth grade. By Christmas vacation three of these pupils withdrew to enter school elsewhere.

Our group have observed the usual holiday in the same manner as in past years. They also had their stands in the Halloween Carnival.

Rosalie Kaiser, Garst Haughey, Joyce Gnagy and Romalee Eddy are in the School Band. Gloria Sutton and Bill Harris are taking instrumental lessons.

The room has had a basketball team. This is the first time that basketball has been given in the fifth and sixth grades. At the time of writing they have played eight games and won five. We still have two games to play. The big event for our pupils was the game they played at North Side Gymnasium. This was a preliminary game for the Pistons.

A project running the ring toss booth at the fall carnival.

A Christmas party with a Christmas gift exchange and plenty of food.

A Valentine's Day party with a Valentine card exchange—and food to eat.

Late in the year several plays were acted out in class.

The students have been given three periods a week in the gym.

The students with the best scholarship records were: Darlene Swift, Lucy Ann Wagoner, Rickey Brooks, David Kunkle, Jimmie Sutton and Donald Cook.

Grades Two and Three

In the fall of 1950 twenty-six pupils enrolled in Mrs. Willennar's room, sixteen third graders and ten second graders. Loren McCurdy, who had been seriously injured in an automobile accident, was not able to enter the third grade until after Christmas. With this exception the enrollment remained constant all year.

The teacher and pupils have had a very happy year of work and play and making play of work. The children seemed to enjoy one almost as much as the other. The music and art teacher were always enthusiastically greeted and, of course, a period in the gym has been another bright spot of each week.

Each spring the mothers of this room are invited to a party and program in the room. The dramatizations of stories are what the children like best to present.

The best scholarship and deportment records have been made by Lois Cameron, Ruth Ann Hanselman, Marilyn Harris, Suzan Malone, Vivian Metz, Steven Swift, Gwen Teegardin, Theresia Curtis, Mart Fowler, Louann Johnston, Sharon Rozell, Gerard Ruppert, Brenda Wagoner and Mary Carolyn Wagoner.

Several mothers helped make the Halloween party and parade a very enjoyable time. The Second Grade took part in the Christmas entertainment. On Valentine Day there was an exchange of Valentines and candy, popcorn and ice cream for each one. There were several birthday parties and many other happy events.

Band

The band has thirty-three playing members and five twirlers including the drum major this 1950-51 school year.

In October the band journeyed to North Manchester to participate in the pre-game festivities at a football game. The Hamilton band played several numbers with the College band and Clear Creek band. They also traveled to Stroh to play a few numbers on the street as a part of the program for the organization of the Boy Scouts there.

The Band Parents purchased a very neat uniform for the Drum Major, Wilma Dirrim, last fall. The suit was white trimmed in gold. They also bought a new french horn.

The band marched to all but two of the home basketball games this winter. They received many compliments from the community as well as from the neighboring schools for their snappy routines and the clever ideas they worked out in formations.

Those entering the district instrumental solo and ensemble contest at Fort Wayne on February 17 and their ratings are as follows: a clarinet quartet consisting of Marlene Clark, Sandra Shrider, Karen Radcliff and Madilyn Heath, superior;Shirley Wagnor, concert solo, superior; Duane Burns, trombone solo, superior; Rosalie Kaiser, flute, superior; Rosalie Kaiser, piano solo, excellent; Kay Kaiser, flute, superior; Kay Kaiser, piano solo, superior; Sharon Heath, piano solo, excellent; Karen Radcliff, piano solo, superior. Those eligible for the State Contest at Indianapolis on March 17 and their ratings are as follows: Duane Burns, good; clarinet quartet, excellent.

This year the band combined with Flint band to form a class E band which entered the District Contest at New Haven. They played "On the Street," "Medallion" and "Cliffe." Hamilton band alone which is classed as a CC band also entered the District contest and played "Father of Victory," "Russian Choral and Overature" and "Medallion."

A pretty blue and white chenille lyre was given as an award to each of the eleven seniors in the playing band. The number of high school years in band was marked by means of bars on the lyres. The two senior twirlers received pins.

Several members participated in the County Orchestra and Chorus program which was held in Fremont's auditorium on Sunday afternoon, March 18.

The officers are: Mary Haughey, President; Eleanor Fee, Secretary-Treasurer; Sharon Heath and Janice Harger, Librarians.

With the patience and hard work of the director, Mr. Corlyle Drake, and through the co-operation of the community, the band members and their parents, Hamilton has had a band that they can well be proud of this year.

The band and glee club both came home with superior ratings from the district contest at New Haven. The Hamilton-Flint combined band was rated excellent. At the state contest the glee club was rated superior, with the comment by one judge that our group was the best he had ever heard in our class. The band rated a high excellent and showed much improvement over the rating of last year.

An initiation program was held on January 31 for the new members who were Bob Zeigler, Bob Thrush, Duane Crain, Walter Jack and Marlin Mann.

There was total enrollment of twenty-one members but six didn't pay their dues so it left an enrollment of fifteen members.

GIRLS' 4-H

In 1950 we had 28 members, most of which were from 10 to 14 years of age.

Under the helpful hand of our leader, Mrs. Mildred Oberlin, the club had a good year. The members lived up to the achievements of past years in county, district and state competition.

Grand Championship awards in county competition were won by Mary Haughey, county dress review; Joan Teegardin, Food Preservation; Reserve Championships by Kay Kaiser, Baking.

In the county demonstration contest Marylin Rozell and Sue Baker gave a demonstration on "Pasture" and received 4th place.

At the county judging contest, Joan Teegardin placed 1st in Food Preservation, and Colleen Penland 2nd in Baking. In district competition, Joan and Colleen both placed eighth in their groups.

Seven girls sent exhibits to the State Fair. They all received first or second ribbons.

Colleen Penland and Marylyn Rozell were chosen for the Psrdue Round-Up. Mary Haughey went to the State Fair on a trip awarded by the County Farm Bureau.

There were nine meetings this year which was climaxed by a very nice achievement program on November 14. At this time Joan Teegardin was awarded a Foley Food Mill for Grand Champion in Canning. Kay Kaiser was also awarded two flour sifters for Reserve Grand Champion in Baking. Mary Haughey received a pin for the Grand Champion in the County Dress Revue.

This year was a very successful one for our club with thirty-one boys and girls enrolling and competing with Mr. Fee as our adult leader. The club elected the following officers to guide us during the 4-H Club year: Presidents, John Gruenburg and Henry Krohn; Vice President, LaMar Smith; Secretary, Marylyn Rozell; Treasurer, Bob Zeigler; Health and Safety leader, Kyle Kenyon; Song and Recreation leader, Don Hovarter; and junior leaders, John Gruenburg, Henry LaMar, Kyle Kenyon and Kenny Dirrim.

Our club won many prizes at the Steuben County 4-H Festival including a few grand champions won by Garst Haughey in Soil Conservation, Bob Thrush in Dairy, Bob Dirrim with Potatoes and Henry Krohn in Beef. State 4-H entries included James Emerson and Marylyn Rozell in Garden. We were also represented at the Steuben County 4-H Clubs Crop Show by a few of our members

Several boys entered the local Tractor Rodeo Contest and with Henry Krohn and Duane Crain as local winners, they represented us at the County Contest held at the 4-H fair.

The 4-H Club year was then brought to a climax with an Achievement Program held in November. Home Demonstration Agent Marcile Allen attended this program and distributed the prize money for the 4-H Club year to our members.

HIGH SCHOOL CHEERLEADERS

Polly Rohleder, Mary Haughey, and Sue Sanxter were elected cheerleaders for the 1950-51 basketball season by a vote of the entire student body at a "tryout" session in the gym last fall.

The girls were attractively dressed in white sweaters and royal blue slacks.

This is Polly's second year as cheerleader and Mary's third year as cheerleader. Sue is a freshman and is off to a very good start.

JUNIOR HIGH CHEERLEADERS

At the beginning of the Junior High basketball season, the seventh and eighth grades chose Madilyn Heath, Sandy Husselman, and Gratia Haughey as their cheerleaders for the season. Gratia and Madilyn are in the eighth grade; Sandy is in the seventh grade.

These three had the thrill of leading the loyal fans in the VICTORY yell for the Speedboats at the majority of the games.

Our Track Team was highly successful in 1950. We won over everyone in Steuben County, except Angola, who beat us ⅓ of a point when two of our boys were absent. We beat Fremont in the County Track Meet by a score of 71-66. Orland was third with 35¾, Pleasant Lake was fourth with 21¾, Salem was fifth with 4½ points, Metz failed to score.

Leonard DeLong placed third in the high and low hurdles, at the sectional in Elkhart.

BOARD OF EDUCATION

ADMINISTRATION

Hamilton Public Schools

Another busy school year is nearing completion. And again the school has been a community center that has been used day and night.

The friendly spirit of the students and the pleasant co-operation of the faculty have marked this year as a year to be remembered.

This is the fourth year of the present administration, and these four years have been ones of continual progress as a school organization.

Special efforts by all the faculty have been placed on meeting the individual needs of the students.

The co-operation of the P. T. A. and the Band Parents organizations have contributed much toward the successful operation of the school.

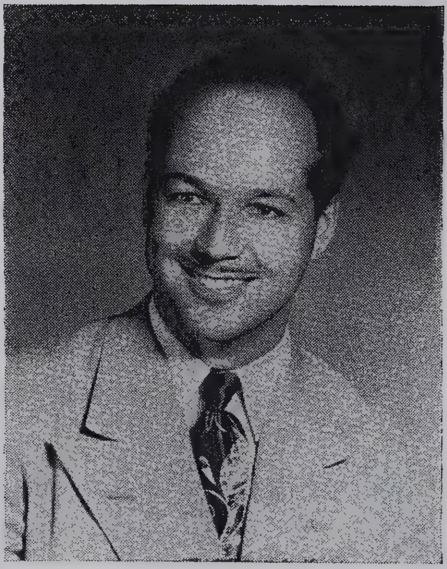
Administration

A trustee has many and varied responsibilities and many difficult decisions to make. In his first year in this responsible position, Lawrence has already had many of these decesions to make.

As he faces his new problems we all wish him the best, for his decisions affect the entire school and community.

Lawrence Crowl, Trustee

Administration



Charles L. Sharp, Principal
A.B. Manchester, M.A. Ball State

Besides the responsibility of being Principal of the school Mr. Sharp was also sponsor of the Senior class. He has spent much time with the class in helping us to make our decisions, helping with the Anchor, and the numerous other activities the class has had. We have worked, had good times, and spent many hours of discussion with him. He has done a great deal for us and equally as much for the rest of the school.

Now as we are through school, with the greatest respect and gratitude we wish Mr. Sharp the best of luck in the future.

The Cafeteria Speaks

As the Hamilton School Cafeteria, I have many reasons to be proud of my record this year.

First of all I have served an average of 180 hungry boys and girls per day.

Secondly I have some brand new equipment which makes life more pleasant for all concerned. My potato peeler can peel 100 lbs. of potatoes in about 30 minutes. These same potatoes can be whipped in 45 minutes. Just try and do that the old-fashioned way. My new dish washer can clean up all of the dishes in less than an hour. Besides that they don't have to be dried. Just scald them and they dry themselves.

Another reason I have to be proud is of the fine student help I have seen this year. I have a total of 9 students working in me this year. Joan Teegardin and Marilee Ford do a fine job in keeping my records straight. Janet Fowler, Mary Baker, Larry Baker, Marcella Jack, and Wava Cameron help keep me clean and in order. Then of course there is the all important job of the dish washer operator which is handled by Kenny Dirrim and others.

Besides all of this I serve the best meals in town. But then, why shouldn't I when I have cooks like Vera Harger and Bernice Hamman.

Well, there's the whole story. I'm sure you can see why I have every reason to brag on my name—The Hamilton School Cafeteria.

Senior Class

One brisk Fall day in September, in the year of 1940, nine very excited boys and girls began their very first day in the school where most of them were to spend the next important years of their life—in Hamilton Public School. This was to be the Senior class of 1952. Our teacher was Mrs. Ruth Maxton. A year later Sharon Heath joined our class from St. Petersburg, Florida.

In our third year of school Lowein Robinett left our class to enroll in school at Goshen.

Eleven students enrolled in the fourth grade. Our teacher was Mrs. Evelyn Sharp. Robert Nelson joined our class from Butler later that year.

Fourteen students enrolled in the fifth grade under the guidance of Mr. Arnold Fee. The new students this year were Jim Calvin, Reina Brooks and Alleen Mann.

In the sixth grade our number was back to eleven again. Polly Rohleder moved to Orland and Joan Fenner and Norma Shively joined us from Scott Center. Sylvia McCantofar withdrew to enroll in Angola.

We finally reached junior high where we all joined the Safety Patrol. Joe Dean and Bill Stump enrolled in our class this year. We took a trip to Chicago that year. During the year we held our yearly art exhibit and Mothers' Tea. With the money we earned in the paper drives that year, we bought a piano for the seventh and eighth grade room. During the year we gave the plays "Aunt Sofronie Goes to College" and "Wild Cat Willie in the Doghouse." Our trip in our eighth grade year was to Detroit, Michigan.

1948-49 was the year we had all been looking forward to for the eight years. Polly returned this year after living in Orland during her sixth and eighth grades, attending here in her seventh. Mr. William Fee was our sponsor. Joanne Zimmer attended Angola this year. Leonard Petre did not complete this year. New members in the class were Roland Coulson, Dale Dirrim, George Delong, and Helen Teegardin. Joan Crain joined us this Spring.

Sixteen members enrolled in the Sophomore class of 1949-50. Peggy Harris and Danny Brown were our new classmates. George left to go to Waterloo and Helen Teegardin left in March. Mrs. Gertrude Crain was our sponsor.

Our Junior year was the time of plays and proms. Our play, directed by Mrs. Crain, was "Galloping Ghosts", held on April sixth and seventh. The Prom was at Pokagon this year. Peggy did not enroll this year. Mr. John Smith was our class sponsor. With his untiring help, we did very well in our pop room business. This money was to go toward our senior trip fund.

On August 31, 1951, the Senior Class of 1952 began their last year of school in H. H. S.

The class consisted of fourteen members. Seven girls and seven boys. During the first semester Dale Dirrim withdrew and the first of November brought Georgia Davis to our class from Hicksville, Ohio.

A vocal trio entered the North Eastern Indiana Solo and Ensemble Contest at Fort Wayne February 9, 1952. The entry received a Superior rating for their rendition of "The Green Cathedral." The trio consisted of Polly Rohleder, Joan Crain, and Sharon Heath.

Our graduation exercises were held in the gymnasium on May 23, 1952 at 8:00 p. m.

Back row, l to r: Mr. Sharp, Polly Rohleder, Duane Burns, Norma Shively, Anne Fee, and Valta Dirrim.

Class Poem

First in line is Danny Brown,
Really quite a man about town.

He's sometimes good and sometimes bad.
That's Duane Burns, a handsome lad.

Next is Romeo Calvin, whom we call Jim,
But stay away girls, Sandy's got him.

Roland Coulson has a car of his own,
And as you can guess he's never home.

Joan Crain, better known as Jo,
With handsome Don Martz does go.

Georgia Davis our new classmate,
In our opinion really does rate.

For Joe Dean we have one wish,
That he finds a girl who likes to fish.

Valta Dirrim who once was shy,
Now smiles whenever you pass by.

Anne Fee is a cute little trick,
Especially thinks a boy named Chick.

John Gruenberg who is very tall,
If he trips, has a long way to fall.

Sharon Heath our smart little lass,
Is always goofing off in class.

Alleen Mann really gets around,
Especially when she's after Danny Brown.

A girl like Polly Rohleder you've never seen,
For what other girl has hair that's green?

Here's to our girl Norma Shively,
When at a square dance is really lively.

Class Will

I, Danny Brown, will the job of drawing covers for the paper to anyone who is fool enough to want it and my ability to ride a horse to Bill Fee because he needs it.

I, Duane Burns, hereby will my temper to Betty Fowler, my musical ability to James Emerson and my taxi cab business to some other "sucker".

I, Jim Calvin, will my locker, which I have had for the last three years, to anyone who can get the padlock off it next fall, my books to my brother and my ability not to get my work done to Jim Hagerty.

I, Joan Crain, will and bequeath, my position as editor of the ANCHOR to Phyllis Jennings, the sought-after job of bookkeeper for Mr. Sharp to Jim Gnagy, ability to get along with Mr. Sharp to Dick Calvin, attitude toward teachers to my sister, Jean, my ability to make girls mad to Sue Baker, and my ability to get out of classes to anyone who wants it.

I, Roland Coulson, will my welding ability to Mr. Fee.

I, Joe Dean, hereby will my ability to write the sports column in the school paper and Hamilton News to anyone who can spell double-dribble correctly two out of three times and my bad case of nerves to anyone who has long finger nails.

I, Valta Dirrim, do hereby will my ability to be late to school every morning to my sister, Willie, because she has so far to go, and my unwanted height to Wart Martin.

I, Anne Fee, do hereby will and bequeath my drums to Janice Nickols, my ability to hit high D in Glee Club to any alto, and my "Miss R. U. Troubled" Column to Dick Calvin, because of his broad shoulders.

I, Georgia Davis, do hereby will and bequeath my ardent dislike to cinnamon balls to Sharon Grogg and my ability to remember to Janet Fowler, who seems to always misplace our music.

I, John Gruenberg, do hereby will my ability to get kicked out of school to Dick Calvin, who doesn't need it very much.

I, Sharon Heath, "being of sound mind?" do hereby will and bequeath my excruciatingly loud whistle to Kay Kaiser and my dishonorable conduct in shorthand class to my sister, Madilyn, providing, of course, that she is ridiculously incongruous enough to take shorthand.

I, Polly Rohleder, do hereby will and bequeath my green hair to Madilyn Heath, my ability to squeek on every solo to Sue Ann Sanxter, my fame as a delinquent Senior and to always get caught to Sandy Shrider, and my place as one of the "Three Racketeers" to Mariane G.

I, Norma Shively, do hereby will my great ability of writing dirt to Marilyn Rozell, my shorthand book to anyone who is interested.

We, the Seniors of '52 hereby will to:

Mr. Broderick, a senior class that can supply him with a baby sitter.

Mrs. Crain, our ability to give a good class play after rotten rehearsals.

Miss Holzworth, all of our extra height that we might have.

Mr. Anderson, the tremendous athletic ability of our boys.

Mr. Rooker, our trio's ability to win first at contest then goof off at P. T. A.

Mr. Fee, our ability to argue in Earth Science and also a new light socket.

Mr. Sharp, another senior class that's as easy to get along with as we were.

Mr. Goon, our ability to take dictation.

To the Juniors, all the formal affairs that they want to have.

To the Sophomores, our old typewriters even if they aren't in too good of condition.

To the Freshmen, our ability to disagree with what the majority of the students decide upon.

To the janitors, our ability to clutter up the school.

To the cooks, our ability to gripe about meals but still eat twice as much as any body else.

Prophecy of the Class of '52

One cold December day we took off with our sled and dog team to visit friends of the class of '52. We stopped in Nome, Alaska, to stay at the CD. Motel. Getting inside by the warm fireplace, we found that the owner of this motel was Sharon Heath Krouse. She told us that when they first built the motel Mr. and Mrs. Lowell Dare, formerly Pauline Ann Rohleder, had had half interest in it. After a few months they had gotten tired of the cold weather and moved to California, where Lowell is now usher for the Paris theater and Polly is there singing with Don Ranny. Mrs. Krouse also told us that John Gruenberg is the editor of the Nome Gazette and Maida was at home with the three little ones.

Continuing on our way, we stopped next in Jasper, Canada. While eating our dinner, we ran into our old friend Duane Burns, who is now touring Canada with Jerry Gray's band. Since he had divorced Norma Jean, he was going back to live at the old faithful "Nine Mile Corners". As you know Norma Jean is now private secretary to the President of the United States.

Looking across the street, we also noticed a sign saying "Calvin's Shaver Shop", owned by Jim Calvin. After we had talked to Jim for a while, he told us that perhaps Sandy, his wife, could give us some information about the other classmates. We went to call on Sandy and she told us that our old friend Georgia Davis was now married to Glenn "Pickle" Newcomer and that they had a lovely colonial home in South Carolina.

As it was getting late, we continued our trip to Niagara Falls. Here we sold our dogs and sled to some sucker for a yellow convertible. This car was owned by none other than Joe Dean who is now on his way to Canada's famous fishing resorts.

Journeying on to Indiana, we stopped at good old Hamilton to find Danny and Alleen married and now the new managers of the I. G. A. store. They gave us the lowdown on two of the old gang. They said that Anne Fee had gotten angry at Chick Oberlin, her husband, and divorced him, because he did not get her an orchid for Valentine's Day. She is now married to Roland Coulson, who is the world's champion ice skater.

While going through Hamilton, we happened to see Bob Swihart at the feed mill, getting chicken feed. He informed us that he was the proud husband of the former Valta Dirrim and invited us out for supper. As we entered their home, we were greeted by several little smiles. While sitting by the window talking, we saw a yellow streak go by and much to our surprise Valta told us it was Mr. and Mrs. Donald Martz, the former Joan Crain, returning to Texas. Joan is now known all over the world as "Mrs. Texas."

Senior Play

Mrs. Crain directed the Senior Play, "Meet the Middletons." This play was given on October 19, 1951. The cast of characters was:

Myra, the widowed mother	Sharon Heath
Elinor, her oldest daughter	Polly Rohleder
Gladys, the middle daughter	Anne Fee
Teddy, the youngest daughter	Joan Crain
Johnny, the oldest son	Kyle Kenyon
Allen, the youngest son	John Gruenberg
Cynthia, Myra's sister-in-law	Valta Dirrim
Merle Potter, Elinor's husband	Duane Burns
Edwin Westrate, Gladys' husband	Danny Brown
Bobby Haines, Teddy's girl-friend	Norma Shively
Mary Marvin, a Salvation Army girl	Alleen Mann
Hector, the junk man	Dale Dirrim

"Meet the Middletons" is a play that involves the trials and tribulations of an average American family: however some of their difficulties weren't everyday problems. Gladys rceived an old-fashioned magic lamp from Aunt Cynthia for a wedding present. Gladys and Edwin were very much disappointed with their gift because they were expecting a $1,000, so that Ed could start his business. They gave the lamp to Johnny who in turn traded it to Hector. When they discover that the $1,000 was hidden in the lamp there was quite a merry chase to retrieve it. The other characters afforded an interesting and hilarious background for this plot.

The Senior class enjoyed producing this play and also the nice time we had at Mrs. Crain's party after dress rehearsal.

SHARON HEATH

Valedictorian

I like to think of the years, which we have spent in school, as stepping stones that help us make our way across a wide river. In the beginning when we started across this river of education we knew little, almost nothing, of the world around us. The friendship and guidance of our teachers and parents have made crossing this vast span an easier task.

The knowledge that we have gained in these past twelve years will undoubtedly prove to be our most indispensable possession. We will use it as a tool to solve our problems, to make our decisions, to make life more pleasant for others and ourselves, and to try to help make the people in our world unite themselves in peace.

Now as we are about to descend from the final stone onto the unknown shore of the future, we are filled with confidence which you, our teachers, parents, and friends, have given us.

We sincerely hope to prove ourselves worthy of and prepared for the tremendous opportunities which lie before us.

Success, Our Destiny

On behalf of the Senior Class I would like to welcome our parents, faculty, and friends here tonight. It is with your help that this Commencement is possible. We would especially like to thank our parents. For 18 years we have lived a life of contentment, protected by our very watchful parents. You have soothed and comforted us in our hours of illness. You have always been there to lend a helping hand.

But now is the hour of discovery; a new life awaits us. A life without the familiar parental guidance that has always been with us.

Some of us will go to college or join a branch of the service, others will find jobs; some will marry; but we will all be on our own. A new exciting experience awaits us at every corner.

Regardless of what occupation we may choose, we will do our jobs well; for a new life, a new world awaits us and we shall step into this world with confidence; you have made this possible.

Seventh and Eighth Grades

This year the seventh and eighth grades were moved from the room in which their fathers, mothers, and grandparents had attended school to room four in the high school building.

On August 31, twenty-four students enrolled in the eighth grade and twenty-one in the seventh. Of this enrollment, fourteen eighth graders and ten seventh graders have always attended Hamilton school.

Two new students joined the eighth grade, Larry Sibert and Ronald Thomas. The latter was here only one month and then moved away.

William Harnish was new to the seventh grade this year.

Virginia Fraley and Judy Clark moved way leaving forty-two students in the room.

These classes have been very active. Two paper drives, Patrol party, Annual Patrol Banquet, Patrol picnic at Kendallville, Assembly program, Parent-students dinner followed by Kite Tourney, Educational tour and Junior Hi basketball were the main events of the year.

Fourth and Fifth Grades

The fourth grade room is the home room of twenty students. They have all been very busy working and playing. The school calendar is crammed full of things which have been done. Some of the activities include:

The Halloween costume parade through the schools and uptown, followed by a party.

A project running the penny pitch concession at the carnival.

A Christmas party with a Christmas gift exchange and plenty of food.

A Valentine's Day party with a Valentine card exchange and food to eat.

Late in the year several plays were acted out in the class.

The students have been given three periods a week in the gym.

The fourth grade has lost two students—Ronnie Fraley, who moved to Metz and Phyllis Clem, who moved to Angola.

The students with the best scholarship records were: Theresia Curtis, Mart Fowler, Bonita Gorsuch, Kathleen McCool, Karen K. Parker, Sharon Rozell, Gerard Ruppert, Brenda Wagoner, Mary C. Wagoner, and Mary Wood.

After Christmas the 4th, 5th, and 6th grades were separated into individual units.

Third Grade

Forty-one pupils enrolled in the third grade when school began but there have been numerous changes. Sue Thomas soon returned to Albion; Junior Fraley and Rudy Mezosi moved to Metz; Gary Don Duran moved to Texas; and Imogene Bartlett entered from Fort Wayne.

Nearly all the pupils were such good workers that time passed rapidly.

At the P. T. A. Christmas program they had great fun dramatizing "The Traveling Christmas Tree." There were other highlights to relieve the monotony of regular classroom routine such as the Halloween, Valentine, and birthday parties. Each Spring this room presents a program to entertain their mothers.

Second Grade

Thirty-one pupils enrolled in the second grade August 31, 1951. On October 31, Karen McIntosh, a former Waterloo pupil, entered the second grade at Hamilton. From Milwaukee, Wisconsin, came Richard Hartlieb, November 16. January 5 he left Hamilton for California. Clyde McLaughlin moved to Chicago January 11, then the enrollment was again 31.

The holidays have loomed big in the lives of second graders. Halloween was the first big holiday event. Besides the big parade, and the excitement of costumes, there were treats and games in the home room. In November there were stories of the Pilgrims. There were exciting tales of feasts in various homes. At Christmas time the pupils helped in the P. T. A. program. It was great fun to decorate the room, but nothing equalled the joy expressed in the exchange of gifts even though the event was delayed until after vacation because of bad weather. Each pupil made his own Valentine box by decorating a paper bag which served as a post office box. The valentines were innumerable. Several mothers sent cookie valentines to all of the pupils.

Mrs. Jackson, the room mother, has been thoughtful and kind. She did something nice for the class each holiday.

Junior Band

The Junior Band was formed this year to give players who are just beginning training and experience in band work before they are ready for the high school band. All players begin with private lessons during school time and are placed in the band when they have achieved a certain degree of skill. After they are in the band they still receive one private lesson each week. Several members of the Junior Band have already been promoted to the high school band.

The band played for a meeting of the Band Parents organization Dec. 4, and for an all-school assembly April 4.

This band will assist in building up interest in our music department, and in training better players for our high school band. In this way it should prove of great benefit and is one of the most important parts of our music program.

Publishing this annual has been a new and interesting experience for the Seniors. As the book was put together, we found that it was filled with many reminders of the many things that have happened this year. This annual will help us to remember our activities in school.

We the Seniors hope that this year's Anchor will prove to be as enjoyable to you as it has been to us in bringing it to you.

Library

The library is under the supervision of Mrs. Hanselman this year. It has been moved from room 1 to room 3. New shelves were built in room 3 in preparation for the moving of the library. These shelves afford adequate space for the new books that are constantly being added. Since the library is in room 3, it gives the students more opportunities to use the reading material.

F. F. A.

On September 17, there was a meeting of the FFA to elect officers for the year. LaMar Smith was elected President; Henry Krohn, Vice President; Danny Brown, Secretary; John Gruenberg, Reporter; Bob Banta, Treasurer; and Roland Coulson, Sentinel.

There was a total enrollment of nineteen members in the chapter, but one member dropped out leaving eighteen.

There were five boys initiated into the chapter as greenhands this year. The were Bob Banta, Paul Martin, Buddy Ford, Niles Kenyon, and Walter Reinig.

The chapter built a hoghouse as a money raising project. Roland Coulson was appointed chairman of the project.

A pest contest was held with the freshmen and sophomores against the juniors and seniors. The juniors and seniors won and were treated to a supper by the losers.

On March 6, there were eight members that attended the District FFA Banquet at Huntertown.

One new project was started by the FFA club this year. Three plots of ground have been rented in different parts of the township for corn and oats plots. It is hoped that these projects will make money for the chapter and also proves to be educational. Fertilizer and variety experiments are being planned on the plots in co-operation with the County agents office.

LaMar Smith has received his State Farmer Degree which is an honor for himself and his teacher, Mr. Fee.

Boys' 4-H

Our 1951 4-H program was a successful one as judged by interest and attendance at meetings.

Officers were LaMar Smith, Pres.; Phyllis Smith, Secretary; Bob Zeigler, Treasurer; Owen Teegardin, Vice Pres.; and Marylyn Rozell, Reporter. Ten meetings were planned by the officers with a movie or some special program at each meeting. Some talks were given by members on their projects.

One added feature that created a lot of interest among the 4-H boys and girls this year was the beginning of a local fair. It gave the members a chance to exhibit livestock and other projects here at Hamilton.

The Fair committee, under the direction of Leo Radcliff and with the financial help of the merchants, erected four tents and paid out over $100 in premiums and ribbons. Our tractor pulling contest was also held on the same day.

Other highlights of the year were the County Fair in August, the County 4-H picnics at Pokagon Park, and our local club tour and picnic in July.

The Marines lost only one man via graduation, John Gruenberg. This means that the Marine crew should be a lot tougher for the 52-53 season.
